LIVINGSTON.

Well as time passes and the 7th of August draws nigh, the campaign waxes warmer and it is hard to guess the outcome. But there is one thing we do know that some one is going to get beat. —John Mullins was in London Tuesday on business. —Uncle James Mahaffey who has been on the sick list for the past year is very feeble. —Mrs. Will Brown of Parksville, is with her daughter Mrs. C. A. Blandford. —A few days ago our marshal, W. N. Riggs arrested a hobo here and he being of a fighting disposition and having

Democratic Editors See Victory for Claude B. Terrell In Race for Nomination for State Treasurer In August Primary Election.

If there is one contest in the approaching Democratic State primary election about which the Democratic newspapers of Kentucky seem to be agreed it is that the Hon. Claude B. Terrell, of Trimble County, should and will be nominated for the office of State Treasurer. Mr. Terrell has made a runaway race of it from the day he entered the contest. His especial fitness for the office he is seeking has appealed to the Democratic editors of every section of Kentucky, and they have done much to mold the sentiment of their communities in his favor by informing the people as to the character of the man and his qualifications for public service. Herewith are quoted brief paragraphs taken from editorials of newspapers published in every section of Kentucky. It would require not less than two pages of a newspaper to publish in full these unsolicited words of commendation of Mr. Terrell and his candidacy:

The Galloway Times: He has served three terms in the Legislature, two as Speaker, and is a clean, fair-minded, sober and discreet man. He will poll a splendid vote in this county next month.

The Ballard County Advance: Mr. Terrell is a man well equipped for this important office and will make a splendid official. He is a man you like better the more you see him.

Paducah News-Democrat: He is a substantial business man, and is held in the highest esteem by all who know him, and has many friends in this section of Kentucky who will give him their support.

The Princeton Leader: While here Mr. Terrell met a large number of our people and made a very favorable impression. He is well equipped from an official standpoint to fill the office of State Treasurer.

Fulton Daily Leader: He is a staunch Democrat, is familiar with the public affairs of the State by virtue of his commanding position the past few years in the legislature and is well fitted in every way to make the people of Kentucky a faithful State Treasurer and guardian of the funds of the commonwealth.

Clinton Gazette: Mr. Terrell has made a reputation as a man who is to be depended upon to do exactly what he promises to do.

Arlington Courier: A better man cannot be found for this place. He is self-made, public spirited, and a friend to the working man.

Mayfield Messenger: He is a great friend to education and a constant laborer for good roads. With him as State Treasurer the people can be assured that the affairs of that office will be conducted honestly and according to law.

Bowling Green Times-Journal: Mr. Terrell will add strength to the ticket selected next month, and it is gratifying to know that his nomination is a certainty.

Bowling Green News: The press of the state is loud in its praise of him as a Democrat, a high-class gentleman and an honorable incorruptible man of fine business and executive ability and one who never has and never will betray a trust either in private or public life.

Todd County Progress: Mr. Terrell enjoys a wide acquaintance in the state, made a splendid Speaker of the House, and is a man of winning personality.

Smith's Grove Times: The county papers over the state are giving Terrell their support, and it is likely that he will carry the state by a larger majority than most candidates.

Cloverport News: He is a man who has made good in all his public trusts. He is a man well equipped for the office he is seeking.

Springfield Sun: The manner in which he conducted the affairs of his great trust as Speaker won for him many strong friends over the state, who are now endeavoring to endorse his valuable service.

New Haven Echo: He is of the younger set of business men and possesses the push that has always been

lacking in the state, and has been so much needed.

Shenandoah News: He helped to mold more constructive laws than any other Speaker who has presided over the House in fifty years. He is by far the ablest and strongest man among the "newcomers."

Breckinridge News: The Big Sandy News pays a very high compliment to Claude B. Terrell. The beauty about it is that it is true.

CLAUDE B. TERRELL

Kentucky Standard: He has been closely associated with the educational interest of the state for many years, and popular education has no stronger advocate.

Hartford Herald: He is splendidly qualified, as his service in office has brought him close to the interests of the people.

Estill Tribune: He is a conservative business man in whom the people can trust with implicit faith and his loyalty and work for Democratic success entitles him to recognition by the party.

Danville Messenger: Mr. Terrell has gained much strength over the state, especially during the past two weeks, and his nomination seems assured.

Henry County Local: His career has been prominent and noteworthy of the sterling character of this splendid young man. It behooves the Democrats to remember him on election day.

Owenton News-Herald: It should be a pleasure to Owen County Democrats to cast their votes for him. He will make a safe and efficient Treasurer.

Woodford Blue Grass Clipper: None of the candidates are receiving more favorable mention. From every quarter come reports of the great favor in which his candidacy is held.

Louisville Evening Post: Mr. Terrell is running on a record that seems

incalculable. His friends say the nomination is certain, and the honor will be most fittingly and properly bestowed.

Louisville Journal of Labor: Citizens of Kentucky should certainly appreciate his efforts and evidence their appreciation by nominating this splendid worker for the public good. He is meeting with great success daily and his candidacy grows in public favor constantly.

Boone County Recorder: His prospect for receiving the nomination is very good. He is a Sixth District boy, and we are all for him.

Fairfax Pendletonian: His greatest strength is where he is best known, which is the strongest evidence of a man's worth, and for this high office he has no superiors.

Carroll Democrat: All who know him seem to be for him. Trimble County is fated to have a representative among our state officials the coming four years.

Grant County News: There is no blot on his escutcheon as a lawmaker and a faithful servant of the people, and he now comes with clean hands seeking a state office. We have no doubt he will reflect credit.

Uniontown Telegram: Besides his ability which qualifies him to efficiently conduct the duties of Treasurer, he is a native Union citizen, which makes a strong appeal to us.

Sevier Banner: The ticket needs strength to win in November, and Claude B. Terrell will add much along that line. Wherever County voters can well afford to support him.

Pembroke Journal: Terrell looks like a winner. He has the support of the leading newspapers of the state. In all official positions he has served his constituents faithfully.

Big Sandy News: In Eastern Kentucky Mr. Terrell is very strong. No citizen who wants clean men in important offices will make any mistake in voting for him.

Hazel Green Herald: No Democrat can possibly make a mistake in voting for Terrell, for he has been tried in many positions of honor and trust and never yet has he been found wanting.

Robertson Advance: He does not permit politics to make of him a selfish or biased man. He is able to take care of the Treasurer's office, and he will carry this county.

Ewing Enquirer: He is widely known as a man of ability, as a promoter of the good roads movement and all educational matters. He is worthy of the support of any man who wants to place the right man in the right place.

Russell Times: Democrats want men nominated that will bring strength to the ticket in the general election. They will make no mistake in nominating Terrell for Treasurer.

Whitesburg Mountain Eagle: As state Treasurer he will be "at home," and besides doing much good for his constituents he will be in part repaid for the excellent work he has already done for Kentucky.

Pike County News: A most excellent gentleman and fully qualified for the office he seeks.

Vote For Claude B. Terrell For State Treasurer Rockcastle Republicans

ing been drinking freely of white lightning, was a very good match for Jack Johnson, but a few strokes of the marshal's club brought him to submission and he was landed in the little red house. Later he was tried, fined and now is working his fine out on the street.

Now our advice is when any one comes to Livingston he better leave his fighting clothes at home for the officers are running this town. —Mr. and Mrs. J. D. Catlin of Lebanon, have returned home after a few days visit with their son, I. W. Catlin, of this place. —Mr. and Mrs. W. M. Clark of Knoxville, are visiting their son and daughter, Mr. J. N. Clark and Mrs. J. P. E. Drummonds. —S. C. Franklin of Mt. Vernon, L. & N. watch inspector, was here Tuesday and said his son, Bernard, had typhoid fever. —Mrs. C. H. Rice has returned from Bond, after a few days visit at that place with relatives. —Mrs. W. H. Cottogim who has been very sick for a few days is some better. —R. G. Moore of the Trace Branch section, was in town Tuesday. —Robert Griffin is at Mt. Vernon this week, working on the farm. —Mrs. H. F. Nicely and little daughter, Nancie, are visiting relatives in Berea. —Miss Sadie Catlin of Lebanon, is visiting her brother, I. W. Catlin, this week. —Mrs. E. L. Cockrell and son, Brown, visited relatives at Stanford Sunday. —Misses Jaleit and Geneva Griffin are visiting relatives at Mt. Vernon for a few days. —Mr. Lon Chewning of London was here Wednesday. —Mr. and Mrs. Lon Argenbright of Knoxville have returned home after a few days visit with relatives here.

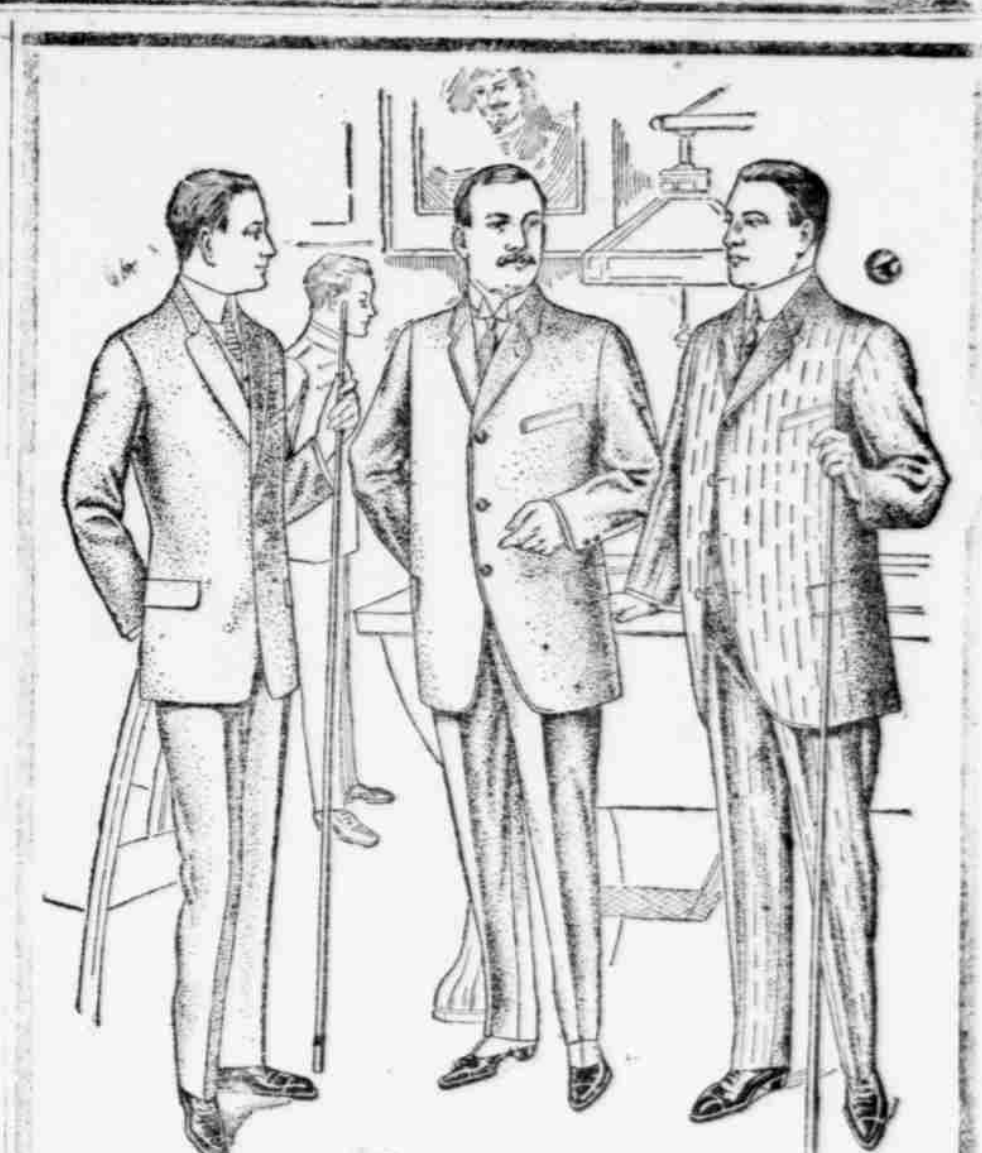

About the first of last February Mr. Nicely and I announced as candidates for Circuit Clerk. When I learned that he was going to run I went to see him, and at his office door in the hall of the Court House he gave me his hand and word as a gentleman and friend that we would act fairly and squarely with each other and make this race on our merits and not on false statements. I have gone over the county speaking of him as a gentleman and friend, as we both agreed to do. But on last Friday in an extra edition of the Signal, he makes an attack on me with false statements intended to deceive and poison the minds of the Republicans and turn them against me, that however he can't do.

My fellow Republicans, I deeply regret that I am forced to defend myself by correcting the statement of my opponent as follows: First, he says I am bad in addition when I say he has had 13 years of office. Let's see. He served three years as Deputy Sheriff under Mr. Henry Catron, four years with R. L. McFerron, four years as High Sheriff, being elected by the people, after deceiving them through false statements, and two years as Circuit Clerk, making 13. Can I add? Then he says my immediate family has held office for the past 30 years. My father, S. C. Davis, who voted the Republican ticket for 49 years, held the office of County Supt. of Schools for 3 years. My uncle, W. A. B. Davis, who voted the Republican ticket for 45 years, held one three year term as Superintendent, two terms as Representative and one year and four months as Superintendent, second term, until his death, making 6 years and 4 months, a total of 9 years and 4 months for them both. He calls them my immediate family. My immediate family is a wife and seven children. I wish to state here that I have been voting 22 years and never failed to vote for a primary nominee in my life.

Mr. Nicely, I am grieved to know that you would resort to such a low act as injecting my loved ones who are gone, into our race, if you will tell an untruth, tell it on me, and let the dead rest.

He then asks you to turn the search light of truth on my loyalty as a Republican. I will gladly submit to that, and ask you to turn the same search light on the official record of my opponent, and will ask my opponent a few questions.

Mr. Nicely, did you not tell the people a falsehood to get the office of Sheriff? How about that 700 dollars you collected on delinquent taxes and did not turn in? How about the Thompson case you marked off the docket without the authority of any one thinking it would make you votes? Did you not receive one fourth of the emoluments of the Sheriff's office last year and was Circuit

Court Clerk at the same time? Are you not now Public administrator and drawing money for that? Have you not received 1/4 of the Master Commissioner's office for the past four years? Are you not holding 3 offices of trust in the county at the present time? Republicans, I will ask you to search the records and see if the above is not true, and will ask you to search and see if my opponent has made one statement that is not false. So believing that you will stand for the right in this matter and give me a nice majority on August 7th. I am as ever, Your friend and brother, Adv. W. T. Davis.

Tom Noe says he's "a little afraid" that the flight of the aeroplane at the Fair being so near his residence may frighten his chickens to such an extent that they may quit laying and his cows go dry. If they do he proposes to have recourse to the law.

The Local Freight which will carry a coach between Mt. Vernon and Livingston during the Mt. Vernon fair will stay at Mt. Vernon until 5 o'clock p.m. each day of the fair.

The Wildie Snider Baseball Team closed its tour on the Coffey field near Wildie Sunday afternoon, winning a victory of 13 to 0 for the 1st. They played to an audience of 100 or more fans including Tom French, who kept the score, Jim Coffey, Tommy Green Reynolds, Tom Branaman and several other boys who seemed to enjoy the game as much as any of the youngsters.
